

PTA Reflections Visual Arts Competition 2017-2018

We had several submissions in the Visual Arts category at Nashua for the PTA Reflections Competition. Three works of art were chosen to move on and represent Nashua at the state level for the Missouri PTA Reflections Competition.

The theme for this year's competition was, "Within Reach." All submissions were self-portrait, papier-mâché sculptures of the artists in the future. The 3rd place piece was created by Kyle Jones (5th Grade) titled "Baseball," the 2nd place piece was created by Rachel Tillock (5th Grade) titled "Author," and the 1st place winner was Ethan Perry (5th Grade) titled "Bird Trainer." Congratulations to these three – great job!
